3. MEMBERSHIP CATEGORY & CONTRIBUTION

Please select the applicable category as defined in Article 2 the ASBL Statutes:

FULL MEMBER | Annual Membership Fee for 2026: €8,500 (Invoiced on a pro rata basis)

- It is a company specializing in innovative grid technologies - any company that develops and/or supplies innovative electricity transmission and distribution technology or products or services helping to maximize the efficiency of existing, reinforced and future assets.
- It aligns with the Association's purpose and objectives to enable the mass uptake of renewables and the decarbonisation of the energy system and to ensure grid operators can operate their networks more efficiently, manage network security, system control and quality of supply as well as to undertake new cost-efficient and innovative network investments.
- It has an office or presence in Europe.

ASSOCIATE MEMBER | Annual Membership Fee for 2026: €5,000 (Invoiced on a pro rata basis)

- It is either a non-profit entity (e.g. research institutions, think tanks, government agencies) or a non-grid technology company (e.g. power producers, industrial electricity users, consultants, investors).
- It aligns with the Association's purpose and objectives to enable to mass uptake of renewables and the decarbonisation of the energy system and to ensure grid operators can operate their networks more efficiently, manage network security, system control and quality of supply as well as to undertake new cost-efficient and innovative network investments.
- It has an office or presence in Europe.

Logo: Please attach to the email or provide link	
Company Description:	

CURRENT

Enabling Network Technology
throughout Europe

Company/ Service Description:

6. PAYMENT OF MEMBERSHIP FEE

Once the Application Form is submitted and the applicant's organization has been approved by the Board, CurrENT will issue an invoice for the Membership Fee. Membership is automatically renewed at the beginning of each calendar year, unless it is cancelled at least 6 months in advance of the renewal date. Annual Membership Fees are determined and approved by the General Assembly and may be reviewed annually in line with the approved annual work programme and Budget.

7. DATA PROTECTION (GDPR)

- I confirm that I have read the Privacy Policy and consent to the processing of my professional data for membership purposes and receiving official correspondence.

8. DECLARATION & SIGNATURE

I, the undersigned, being duly authorized to represent the organisation/company mentioned above, hereby apply for membership and agree to abide by CurrENT's Statutes and Internal Regulations.

Full Name	Title	Date	Signature

APPENDIX 1

All Full Members and Associate Members agree to abide by CurrENT's Statutes and Internal Regulations, specifically the following:

- Articles of Association
